

## Consent for a functional capacity assessment and information transfer

Pupil's name: \_\_\_\_\_

[Toimintakykyarvio.fi](https://toimintakykyarvio.fi) is a service developed by Valteri for describing a pupil's functional capacity.

The information in the assessment is used to promote and support the pupil's learning and studying both during pre- and comprehensive school and after they move on to further studies. The goal is to ensure that pupils receive support in their studies based on their own functional capacity. With your consent, the young person's teacher, guidance counsellor, assistants and, if necessary, other experts mentioned below participate in the assessment in addition to the pupil and the guardians.

☐ I consent to an assessment of the pupil's functional capacity using Toimintakykyarvio.fi service. The information in the assessment is used to support the pupil's learning and studying.

I consent to the following persons/parties providing information about the pupil for the functional capacity assessment:

- ☐ Therapists providing care
- ☐ School health service
- ☐ Psychologist
- ☐ Social worker/School social worker
- ☐ Other party \_\_\_\_\_

☐ I consent to the teaching staff transferring information from the functional capacity assessment to the guidance counsellor and teacher at the school, in which the pupil continues their studies as well as the party responsible for the guidance to support the studies during the transition phase.

All persons working at the school are bound by professional secrecy. According to Section 40 of the Basic Education Act, Section 32 of the General Upper Secondary Schools Act, and Section 42 of the Vocational Education and Training Act, the persons responsible of providing education may not disclose to outsiders what they have learned in the execution of tasks related to education about the personal circumstances and economic standing of pupils or the members of their families. The information will not affect the pupil's assessment.
